About Casa de Amparo

Child abuse and neglect is a serious problem nationally, statewide and in our local community. In fact, San Diego County has the second highest rate of substantiated reports among all counties in California. The good news is that the State, County and concerned citizens of San Diego are actively addressing the challenge of child abuse. Since 1978, Casa de Amparo has helped children and families heal, grow and create bright futures that will ultimately affect their own families and the future of our communities.

Our mission is to support those affected by and at risk of child abuse and neglect, through a range of programs and services that promote healing, growth, and healthy relationships.

Our vision is that Casa de Amparo is recognized as a major force in the field of child abuse prevention. Partnering with the greater San Diego community, we ensure that children and their families receive unique and innovative services for healing, for stopping child mistreatment of any kind, and for ending generational cycles of abuse. The result is a community where child abuse and neglect are not tolerated, and where child abuse awareness and prevention are priorities.

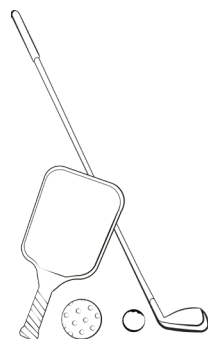

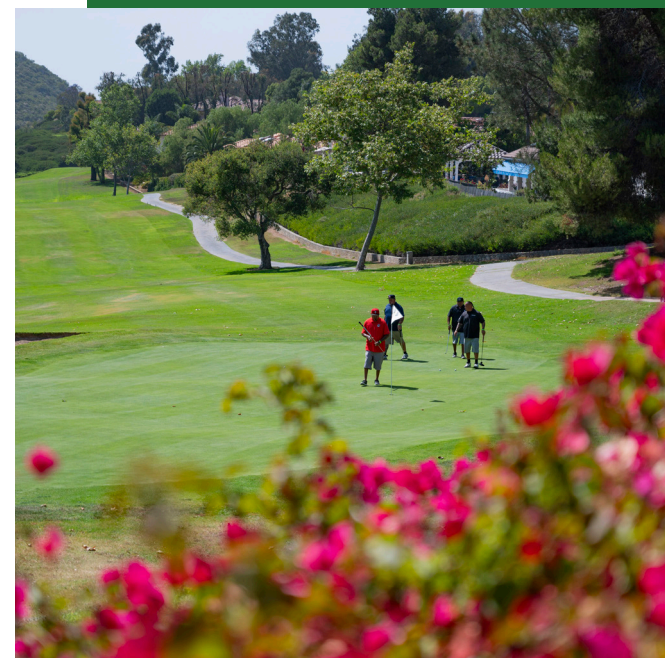

The Havens Country Club

Nestled in a tranquil valley, the private golf course and pickleball courts offer stunning views of the Southern California landscape, impeccable course conditions, unmatched playability, and superlative shop service. Designed by Ted Robinson Sr., The Havens Country Club (formerly Vista Valley Country Club) was established as a par-72 golf course in 1979.

The golf course features a 18-hole Championship layout and is renowned for its dramatic elevation changes, undulating fairways, and fast greens. The Havens provide a range of tees suitable for any handicap and an extensive practice range and short game areas. Annually, The Havens Country Club hosts the AJGA the USGA Qualifiers, and is a proud partner for the Golf Channel Am Tour.

The Havens Country Club is located at 29354 Vista Valley Dr, Vista, CA 92084.

The Tournaments

Golf Scramble Format

In a scramble, each member hits a tee shot, then the best tee shot is selected and all members play a shot from that point. The 2nd shot is made and then the best shot selected again. All team members play from that point. This is continued until the ball is holed. The winner is the team with the lowest 18-hole score.
