

Casa de Amparo's Signature Partner Agreement

Show your commitment and partnership with Casa de Amparo to treat and prevent child abuse and neglect in San Diego County.

Dear Friend of Casa de Amparo,

Casa de Amparo's Signature Partner Program is an opportunity to demonstrate your commitment to help end child abuse and neglect in San Diego County.

Casa de Amparo has a variety of needs to fill throughout the year and we want to match your interests with those ongoing needs. With your support in time, skills and/or donations, Casa de Amparo will be able to direct additional resources to our child abuse prevention and treatment programs and services.

In return for your continued support, we would be honored to publicize your commitment through:

- Recognition on our website, including your logo and link to your website.
- Recognition on Social Media in relation to projects, gifts to Casa, and any other support.
- Invitations and opportunities to sponsor our annual fundraising events like the Crystal Ball Gala, our Meet the Chefs event, and the FORE the Casa Kids Golf Tournament.

Just as it takes a village to raise a child, it takes our community to help care for our Casa Kids. Being a Signature Partner sets an excellent philanthropic example for other companies and demonstrates your commitment to making San Diego a community where child abuse and neglect are not tolerated.

Thank you for your interest in partnering with Casa de Amparo to treat and prevent child abuse and neglect. We are grateful for community support from corporations like yours. For more information, please contact Kathy Karpé, Director of Development, at [760-566-3556](tel:760-566-3556) or kkarpe@casadeamparo.org.
