Casa de Amparo

Treating and Preventing
Child Abuse and Neglect

A Happy Home for All

December 2020

The holidays are hard...

You make them feel special

Thank You!

Our Casa Kids have experienced pain and suffering that no child should endure at the hands of those they should be able to trust. Being victims of child abuse and neglect, they face daily battles that most of us cannot even imagine.

They rely on Casa de Amparo to provide services to support them in conquering these battles. Our 24/7 Residential Care Staff, Advocates, and Visitation Monitors work to ensure Casa Kids have everything they need to live happy, healthy, and safe lives.

Unfortunately, most youth in foster care are not connected with their own families since they have passed through multiple foster homes before coming to Casa de Amparo. The holidays often highlight their feelings of abandonment and loneliness when they watch others spending time with their own families and creating traditions and memories to last a lifetime.

Your gift helps us create the comfort of home.

Together we can make a happy home for all Casa Kids.

"Our donors make me feel special and noticed during the holidays; a time when I feel the most alone. It's such a selfless act to give at a time when most want to receive."

--Eliza, New Directions Participant

Casa Kids, like Eliza, depend on support from donors like you to help Casa de Amparo make the holidays happy for not only her, but the 750 youth in foster care we serve throughout the year.

Thank you for considering a contribution to Casa de Amparo and for always supporting us!
