Vendor Agreement for the Casa Community Boutique

Are you looking for a way to give back this holiday season and increase exposure for your small business? Join us for the Casa Community Boutique! We will be partnering with local businesses to create an online marketplace where Casa de Amparo supporters can shop and buy gifts for loved ones while supporting the youth of Casa de Amparo. The Casa Community Boutique will **open on Giving Tuesday on December 1st, 2020, and close Tuesday December 8th, 2020.**

Vendor Responsibilities: Participating vendors will agree to give Casa de Amparo a minimum of 20% per purchase for items sold during this time that include the agreed upon promo code or are otherwise noted to be through the Casa Community Boutique. Vendors will provide a website link that will be featured on the online marketplace home page. Vendors will provide Casa de Amparo a check for all funds raised after the event closes December 8th.

Casa de Amparo Responsibilities: We will create the Casa Community Boutique homepage and advertise the event and featured vendors to our supporters through social media, emails, during our virtual Crystal Ball Gala, and when speaking with our contacts.
