

## THE CASA KIDS CAMPUS

Where Healing Begins

The Casa Kids community includes homelike cottages for Casa Kids in Residential Services and space for staff to develop and deliver trauma-informed care and treatment programs and services. The Campus houses a medical healthcare suite, library, therapeutic art and music room, outdoor areas, and sports fields.

**Currently, there are only two other Community Treatment Facilities in the state of California licensed to care for youth in foster care requiring this level of support. This has to change...and we have BIG plans!**

**Teen Wellness Center** – Many children in foster care have endured significant trauma including abuse, neglect and sexual exploitation. Because of this, a growing number require a higher level of emotional, mental, and physical care. To meet the needs of these children, you will support construction of the Teen Wellness Center, which will provide a home environment where Casa Kids can receive intensive therapeutic treatment that they so desperately need.

**Comfort rooms** provide a designated space where Casa Kids learn to manage responses to the trauma they have experienced through visual, auditory, and sensory stimulation that they enjoy and select themselves.

**Support Services Center** – Will provide space to house equipment to maintain the organization's 11 acre campus and fleet of 15 vehicles, while securely storing over \$400,000 of donated in-kind items for our children and families. The Center will also operate a centralized laundry facility that can be utilized for job training programming for our youth.

## YOUR GIFT

Makes a Lasting Difference

Together, we have an opportunity to make a difference that will last a lifetime. As a Casa de Amparo donor, you can give a gift that will forever link your name, your corporation's name, or the name of a friend or loved one, with one of Casa de Amparo's amazing facilities, all of which are helping abused, neglected or at risk children heal, grow and create the bright futures they deserve. Naming Opportunities allow Casa de Amparo to thank and recognize donors—individuals, corporations, foundations or organizations—with a lasting tribute.

For more information on how you can make a significant difference in the lives of abused and neglected children in our community through a naming opportunity, please contact Kathy Karpé, CFRE, Director of Development at 760-566-3556 or email [kkarpe@casadeamparo.org](mailto:kkarpe@casadeamparo.org).
