

Casa de Amparo's In-Kind Donation Restrictions

The foster youth we serve come into our care with very little to nothing. We aim to comfort them by providing them with everything they need to start their new chapter at Casa de Amparo.

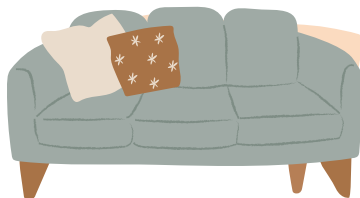

We like to provide our youth with new items as much as possible. This gives them comfort, confidence, & makes them feel special knowing that something is completely theirs. Gently used furniture can be accepted but please refer to the restrictions list below to ensure we can accept your donation.

In-Kind Restrictions:

- No used clothing, linens, toiletries, & hygiene items
- No used pots, pans, & silverware

Furniture Restrictions:

- No used mattresses or box springs
- No furniture from a pet or home where someone smokes
- No chipped or scratched furniture

**** All furniture items must be pre-approved with pictures. ****
